About this Release

ABOUT THIS RELEASE

The reissued CURF and Technical Paper for 2002-03 released in August 2005 includes revisions to the item "Current weekly income from family tax benefits" and consequent changes to some income aggregates and the calculation of the household reference person. The only change to the Technical Paper is that revised reconciliation tables have been incorporated. The CURF was reissued again in September 2007 but no changes were required to the Technical Paper.

Contains details of the confidentialised unit record file (CURF), including a list of all data items on the file, and background information about the survey.
